

HEADQUARTERS X CORPS

7 February 1945

C E R T I F I C A T E

I CERTIFY THAT: The following inventory of Philippine Island Stamps which were altered by the Japanese for use during the Japanese occupation of the said islands is the complete inventory of such stamps on hand.

THAT, the stamps were captured by the Counter Intelligence Corps at Carigara, Leyte Province, Philippine Islands and turned over to this Headquarters for disposition.

THAT, Since the stamps have no military value and are so altered that they cannot be used for defraying postal charges, they will be disposed of to members of the United States Army as Souvenirs as prescribed by Circular No. 83, Headquarters USAFFE, dated 23 September 1944.
